of Engineering. Further in the interests of the large number of pilgrims who resort to these waters as it will be an advantage to have at the head a man with some experience of sanitary measures and who will be in a position to deal satisfactorily with the local sanitary authorities.

I know Narayana Aiyangar who was working under me as Sanitary Inspector of Chicacole Municipality for about 4 years. He always impressed me as a painstaking and honest official capable of dealing with men tactfully, and I have therefore submitted his name for the approval of Govt.

The Peshkar's place at Tirupati is a difficult one to fill as he will have to be in intimate touch with the temple authorities, besides having the spending of large sums from Govt. with only ~~occasional and~~ periodical checks from this office. Further the man will have to command the respect of the local public and be above the parties which are always in evidence locally while he will have to come in contact with a large number of leading men who go to Tirupati

I have proposed that the services of Narayana Iyengar maybe loaned for 2 years as in case the new scheme is sanctioned, he would stand to get more higher promotion in his dept than what the Municipality can afford to pay. Narayana Iyengar is besides a brother of late Pesikan who has been frequently visiting Nagai and may be expected to have some inside knowledge of the working of the institution

SIR,

I have the honour to report that Mr. N. Sriranga Char, Peshkar of His Highness the Maharaja's Charities at Tirupati died on the 12th of last month and that ever since the senior Gumasta N. Garuda Char has been placed in charge of the current duties of the Charities.

2. Applications from the marginally noted individuals applying for the vacant post have been received and out of these I consider that Mr. M. N. Narayana Iyengar, Sanitary Inspector of Bagepalli, an younger brother of the deceased Peshkar who was working under me some years ago will prove a satisfactory selection for the place. The Deputy Commissioner of the Kolar District who was consulted by me states that he has no objection to spare his services.

3. Under these circumstances I request that sanction of Government may be accorded for the employment of M. N. Narayana Iyengar for a period of two years on the pay of Rs.40 plus 10 which he is now getting.
